## Changes per location

### San Diego Downtown

- We added the CEL Shared Apartment Comfort earlier this year and have increased our inventory. The beautiful 2 bedroom 2 bathroom apartments are in walking distance from the school and provide a great housing option for our students.

### San Diego Pacific Beach

- We added a 2nd official starting date for all Cambridge courses. Students can now choose between the full duration which is 11/12 weeks and a shorter duration which is 8 weeks.
- We continue to offer our Business Certificate courses which is a 4 weeks program with specific starting dates throughout the year.
- We have removed the hostel and hostel Plus as housing options for Pacific Beach due to low demand.

### Los Angeles Santa Monica

- We are now offering a quad (max. 4 per room) housing option in our Shared Apartment Standard.

## Remains the same

- Timetables remain unchanged and the duration of a lesson remains 45 minutes
- We will be offering 4 Cambridge sessions (FCE and CAE) in San Diego Pacific Beach
